Conference Workshops Overview

Workshops are in-depth classes that encourage you to broaden your knowledge base in a specific topic or area. Topics for this conference will focus on improving skill and information levels in the Equal Opportunity /Equal Employment Opportunity and Civil Rights field.

~~~~~~

Making the transition to performance improvement, the conference agenda is designed with the participant in mind. Workshops are limited in size, ensuring individual attention from expert presenters. These workshops will encompass 90 minutes of instruction and inter-action unless other wise noted. Plan to attend this 4-day training conference to gain additional information and network with others in the EO/EEO and Civil Rights arena.
